Lady I love you. I just wanna show you. From the way you touch me, and kiss me to the sparkle in your eye.

6 7 8      6 7 8      6 7 8      6 7 8      8

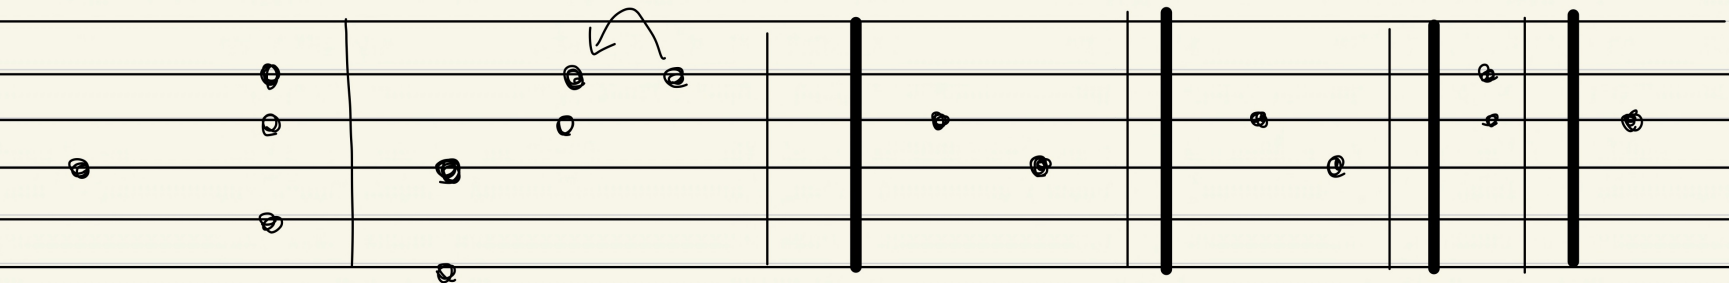

Oh, how I love you. I just feel so lost without you. With my love and intuition, you'll never have to say goodbye.

6 7 8      6 7 8      6 7 8      6 7 8      8

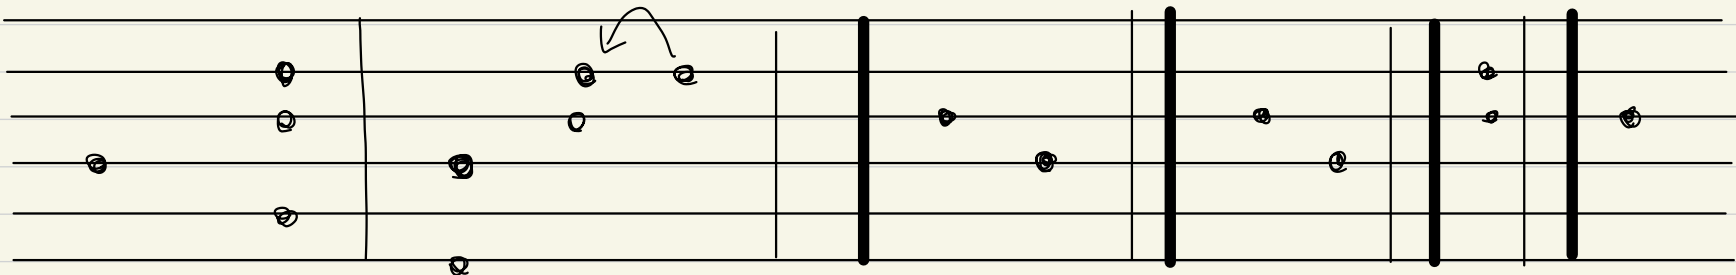

어제는 맘이 급했어 니가 너무 예뻐서 너의 이름도 몰랐어 중요하질 않아서

6 7 8      6 7 8      6 7 8      6 7 8      8

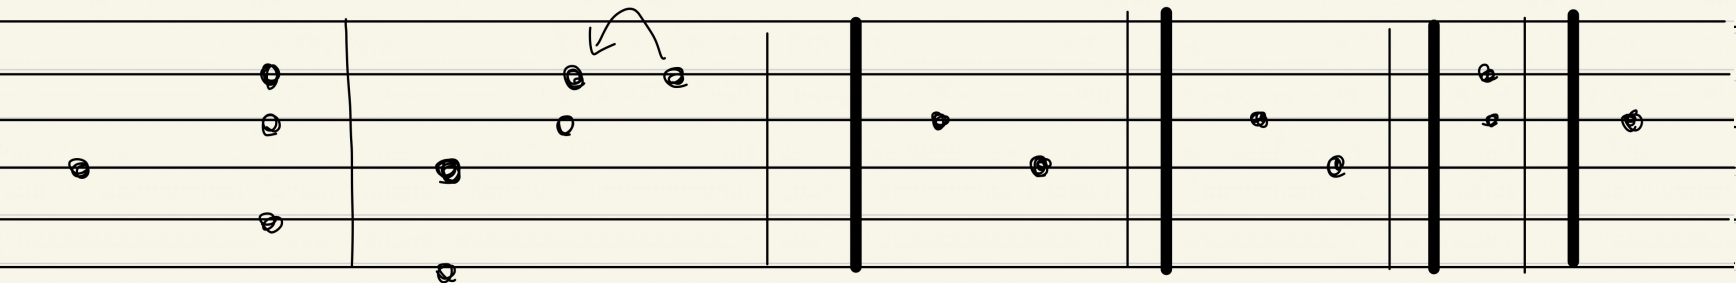

느낌이 좀 이상했어 눈이 마주칠 땐 정말 내꺼 같았어. ~~형클어질나머리 그 어린 줄소리~~

6 7 8      6 7 8      6 7 8      6 7 8      8

헝클어진 니 머리 그 여린 숨소리 이 느낌은 뭐지 가슴이 oh I really can't explain

6 7 8      6 7 8      6 7 8      6 7 8      8

언젠간 너도 날 사랑할까 나는 준비가 다 됐어 Baby give me just one chance.
