About not too long ago, I woke up feeling kind of blue (So I)

Em A7 F#m7 DM7
Picked up my phone and I decided that I hit up you (So then)

Em A7 F#m7 /F
We talked for a little while, ask me if I could roll through (So we)

Em A7 DM7
Met up, got food, and we spent time till the night was through

Em A7 F#m7 B7 Em A7 DM7
(Can I) call you my own, and can I call you my lover Call you my one and only girl

Em A7 F#m7 B7 Em A7 DM7
(Can I) call you my everything, call you my baby You're the only one who runs my world

Em A7 F#m7 B7
I remember this night we had, outside on the grass us two (We were)

Em A7 DM7
Gazin' at stars who smiled as my eyes only turned towards you (I knew)

Em A7 F#m7 /F
There was no one else I needed and my love's never felt this way (I wasn't)

Em A7 DM7
Too sure if you would mind I was nervous but I had to say

Em A7 F#m7 B7 Em A7 DM7
(Can I) call you my own, and can I call you my lover Call you my one and only girl

Em A7 F#m7 B7 Em A7 DM7
(Can I) call you my everything, call you my baby You're the only one who runs my world
